Other comments:

What can you expect?

MACA wants to place you where you will be the most comfortable. However, we have lots of volunteers for the “fun” jobs and we need volunteers to help with the not-so-glamorous, nitty-gritty tasks, too. You can work as much or as little as you like.

What do we expect?

We expect you to keep your word and your commitments. If you can't - tell us - so we can find someone to fill in for you! MACA is growing and with your help, our success will be possible.

What would you like to do?

Check all that you would consider volunteering for. Space is available for you to add your own suggestions:

Volunteering on a Committee

Performance: Our volunteers usher, work in the box office, sell snacks & drinks, tend to the personal needs of visiting performing artists, ensure cleanliness of venue for artists and guests, and whatever else needs doing in preparation for our concerts.

Education: Are you interested in what MACA does for children? This is the committee for you! Help plan upcoming programs, work with the School Board, share your artistic skills with community children.

Visual Arts: This committee plans and presents exhibits in the community that coordinate shows, promote local artists, and create exciting visual events.

Fundraising / Resource & Development: Can you solicit items and/or donations for special fundraisers ? Do you enjoy meeting and greeting donors at special events? Do you have a special talent for researching and/or writing grants? These are just a few of the special talents needed by this important committee.

Alliance Development: This is a new initiative for MACA, and your help is essential to its success! Volunteers will help identify and contact artists and artist groups in Monroe County to develop our Resource Directory and Online Events Calendar.
